

Unit	Week No.	Content	Detail	Activities / Graded Assignments	Exam Content	Government Objectives
Warm up	1	Introduction	Induction	n/a	n/a	n/a
		Rules				
		Materials				
1. Different Angles of the Same Object	2	Drawing Objects and Shapes	Various angles of the same object	making a drawing of the same objects using two different angles	n/a	3. Create works of visual art with two dimensions to three dimensions by applying principles of light and shadow and weight.
		Objects and their shapes				
2. Replicate the Same Picture	3	Replicate the Picture	Replicate but using different colours	Replicate the same picture using different colours	n/a	n/a
		Accuracy in replication				
		Replicate the same picture				
2. Shapes in Painting	4	Shapes in Cezanne Paintings	Wax color, several dimensions	Look at the painting of Cezanne. Draw a still life and make the different dimensions stand out but using color	n/a	1. Specify complementary colours and discuss the use of different dimensions using colours to convey thoughts and feelings.
		Famous artists: Cezanne				
		Analysing and recreating using different dimensions				
2. A Chest	5	Making a Chest	Replicate and Assemble	Look at the chest picture and make your own one. Glue and assemble the finished product.	n/a	n/a
		Analysing and making your own chest/box				

Unit	Week No.	Content	Detail	Activities / Graded Assignments	Exam Content	Government Objectives
3. Drawing Figures	6	Drawing by Using a Picture as Reference	creating different facial expressions	Use the picture as reference and draw a comic character showing facial expressions	n/a	2. Explain principles of arranging size, proportion and balance in creating works of visual art.
		Showing emotions				
		Drawing a comic character				
3. Drawing Animals	7	Drawing Animals	Copy using coloured pencils	Copy the drawing of the Toucan using coloured pencils	n/a	n/a
		Copy the drawing of the Toucan				
3. Colouring and Shaping with Wool	8	Shapes With Wool	Using wool as outline	Colouring the sea picture by filling in the gaps with wools to create shapes	Coursework Score	3. Create sculptures by applying coloured wools.
		Color the Sea creature				
4. Drawing Objects	9	A Cloth Puppet	Creating a puppet from scratch	Make the same cloth puppet using the same techniques	n/a	n/a
		Make the same cloth puppet using the same techniques				
5. Paul Klee	10	A special Portrait: Paul Klee	Use of wax crayons. Biography of the painter	Replicate the technique of Paul Klee using parallel and perpendicular lines	Coursework Score	n/a
		The Techniques of Paul Klee				

Unit	Week No.	Content	Detail	Activities / Graded Assignments	Exam Content	Government Objectives
n/a	11	MID TERM EXAM WEEK	n/a	n/a	n/a	n/a
		MID TERM EXAMS				
5. Make a Dragon	12	Making a Dragon	Dragon, cut and glue	Making a dragon using the pieces on the page.	n/a	n/a
		Making a dragon puppet using the pieces				
6. Geometric Lines	13	Geometric Shapes	hexagon. Compass	Draw an hexagon inside the circle Use the compass	n/a	5. Create works of visual art by applying principles of forms and blank space.
		Geometric Shapes: Circle and Hexagon				
6. Shape	14	Draw the Shapes with equipment	use of the compass and ruler	Copy the picture use the grid as reference. Use colored pens, a ruler and a compass	n/a	n/a
		Colouring the picture				
6. Lines for Drawing	15	Lines and Grids for Drawing	Tiles forming a grid	Colour the shapes and draw over the grid out lines.	Coursework Score	n/a
		Colouring the shapes of the grid				

Unit	Week No.	Content	Detail	Activities / Graded Assignments	Exam Content	Government Objectives
7.Geometric composition	16	Geometric Composition	similar composition	Look at the composition and how it's made. Make a similar one and glue it on the page	n/a	n/a
		Making a Composition				
8. Shapes in our Imagination	17	Shapes in our Imagination	Landscape, abstract	Draw a landscape using abstract forms using shapes.	Exam Content: using abstract forms	n/a
		Draw a landscape using abstract forms				
9.Lines and Shapes	18	Lines and Shapes	Line, Shapes, Overlapping	Make a composition using lines and shapes	n/a	n/a
		Overlapping Shapes				
9. Optical Illusion	19	Optical Illusion	Lines, Dots, Shapes, Patterns	Drawing zentangle using lines	n/a	n/a
		Zentangle				
Exam	20	Art Examination in Class	Abstract Forms	n/a	Draw a picture using abstract forms using shapes.	n/a
		END OF TERM EXAMINATION
